

2007 FUSION

BOLDMOVES

Flies in the face of convention

From its chrome grin to its distinctive tail, Fusion will never be mistaken for anything else on the road. Neither will you. But with an available 221-hp V6 and performance that *CarandDriver.com* (December 2005) singled out as “Euro muscle instead of mass-market mush,” others on the asphalt won’t see much of you anyway... except in passing. Exceptional traction in any weather condition is a result of the class-exclusive All-Wheel Drive (AWD) option, actively administering power to all 4 wheels for balanced control and improved handling. Assurance also comes in the form of 6 airbags — 2 front airbags, 2 front-seat side airbags and 2 side-curtain airbags: *all standard*.

Ultra-appealing

Don’t just take our word. Ask some real drivers. You’ll find that midsize car owners ranked Fusion #1 in the J.D. Power and Associates APEAL Study^{SM*} — the measure of owner delight with the design, content, layout and performance of their new vehicles. So now you know it’s true.

*The J.D. Power and Associates APEAL Study (Automotive Performance, Execution and Layout) measures owner delight with the design, content, layout and performance of their new vehicles. Ford Fusion received the highest numerical score among midsize cars. Study based on responses from 63,607 new vehicle owners, measuring 251 models and measures opinions of consumers after 90 days of ownership. Visit jdpower.com.

THE 5-YEAR/60,000-MILE POWERTRAIN WARRANTY

New Vehicle Limited Warranty

We want your Ford Fusion ownership experience to be the best it can be. So under this warranty, your new vehicle comes with 3-year/36,000-mile Bumper-to-Bumper Coverage, 5-year/50,000-mile Safety Restraint Coverage, and 5-year/unlimited-mile Corrosion (Perforation) Coverage — all with no deductible. Please ask your Ford Dealer for a copy of this limited warranty.

For more assurance: There's now a 5-year/60,000-mile powertrain limited warranty that's fully transferable, has no deductible, and provides you with an additional 2 years or 24,000 miles of coverage — on select components, including the engine and transmission — beyond the standard 3-year/36,000-mile Bumper-to-Bumper Coverage. Plus, Roadside Assistance is extended to 5 years or 60,000 miles, so you have the security of knowing that help may be only a phone call away should you run out of fuel, lock yourself out of the vehicle, or need towing. Your Ford Dealer can provide complete details on all of these advantages.
